***Our clients
lie at the heart***

GENERAL TERMS AND CONDITION OF SALE

- Prices are exclusive of VAT.
- Illustrations, descriptions and characteristics are intended for general information only and are not binding
- Sbaraglia SRL reserves the right to update, without notice, the specifications and prices reported.
- Payments must be made only to Sbaraglia SRL located in Torrevecchia Teatina (CH).
- The delivery of goods is always intended Ex-Works.
- The goods shall always travel at the buyer's risk and peril.
- Any claims for damaged goods or missing must be submitted within 8 days from the receipt of goods.
- Complaints in progress do not suspend the payment obligation.
- Sbaraglia SRL guarantees the high performance and good quality of goods for 24 months from invoice date.
- Sbaraglia: SRL shall replace parts be considered from us defective in material or workmanship.
- The warranty never extends obligation to compensate indirect damages or defects of any nature whatsoever, damages to persons or property which can derive from use of our products, even in case of breakage.
- To place an order, state number of model and description.

WARRANTY

The guarantee of 24 months according to DL 24/02 applies to products that present a lack of conformity, provided that product is used correctly, respecting its intended use and as provided in the technical documentation attached. This guarantee is limited to the private consumer (a person who buys goods for purposes not related to his professional activity, or making a purchase order form without indicating a reference to VAT). In case of lack of conformity, Sbaraglia provides for the restoration of conformity by repairing / replacement or reduction of price, until the termination of the contract. If for any reason, Sbaraglia was unable to guarantee its customers a product warranty (repaired or replaced), it will proceed, at its sole discretion, to the provision of same amount voucher of 12 months validity to be spent for all products available on the website www.sbaragliacompressori.it

If upon inspection at an authorized Service Center, the malfunction should not be a lack of conformity in accordance with DL 24/02, the customer shall sustain costs of verification and recovery required from Service Center and the costs of transport if supported by Sbaraglia.

APPLICABLE LAW

The sales contract between the customer and Sbaraglia is concluded in Italy and governed by Italian law.

About solution of civil and criminal litigation arising from the conclusion of this contract of distance selling, if the customer is a consumer, the local jurisdiction is that of the reference Court of his town of residence; in all other cases, the local jurisdiction is the only Court of Chieti - Italy
